

## Tasty Pasties & Burlesque-Esque Designs

Burlesque has recently made a huge come back with many liberated women taking classes in this sexy art form in order to shape up for the bedroom. However you can't perform the dance of love without the accessories and f. boutique for the boudoir™ has recognised this growing demand for vintage embellishments.

Coinciding with the launch of their new catalogue, The Pillow Book Vol. II, f. has sourced a range of designer products which are guaranteed to spice things up and encourage you to turn on the moves. From hand made nipple pasties to diamante encrusted riding crops and divine silk masks, f. has all the props for an aspiring siren.

If you were looking for a little more pop, f. has you covered there as well with their new Sizzling Body Candy, designed to be licked off any part of the body, the explosions will blow your mind and his.

f.'s Pillow Book Vol. II also showcases its amazing selection of intimate accessories, which are discreetly feminine and designed by women, for women. All purchases come beautifully gift-wrapped.

All of f.'s products are also available via their online boutique at [www.fonline.com.au](http://www.fonline.com.au) or phone order on 1300 900 400. Alternatively f. offers Private Viewing Parties, which are ideal for a group of friends who want to touch, taste and try from home. With f. the boutique for the boudoir™ shopping from the comfort of your own bedroom has never been so satisfying.
